

Year 3's Stinky Stone Age Day at Conkers

Our fantastic day included so much fun:

Stone Age Theme Orienteering:

We used maps to find clues hidden around the forest, just like Stone Age explorers!

Fire Making and Shelter Building:

We learned how to make a safe fire and built our own shelters using sticks and leaves.

Cave Painting and Drumming:

We painted like Stone Age artists and made music with drums and rhythms from the past.
