Issue 16

Message from the Head

What a week it has been! The British weather has certainly reminded us of its unpredictability, with this sudden and intense heatwave. I have been incredibly proud of how everyone—children and staff have responded. I would also like to extend my heartfelt thanks to you, our families. Your kind words and expressions of gratitude towards our staff during this unseasonably warm spell have meant a great deal. Knowing that our efforts are appreciated makes all the difference, and your support strengthens the sense of community that makes our school an amazing place to be.

We hope you have had the opportunity to read the recent Ofsted report for the Juniors, which we shared at the beginning of the week. We are delighted with the many positives highlighted throughout the report and are already continuing to move forwards on the key areas identified. It is a reflection of the hard work of our whole school community, and we remain committed to ongoing improvement.

Speaking of community, we have also been overwhelmed by the generosity of our local area. We have been fortunate to receive donations of plants to help us continue enhancing our outdoor spaces. A special thank you goes to Garden King, who very kindly offered a selection of free plants yesterday—an incredibly thoughtful gesture.

We are very much looking forward to welcoming our new EYFS families in the coming weeks as well as beginning the transition process across schools next week. These moments are always filled with excitement.

At the same time, we are preparing to say goodbye to our wonderful Year 6 pupils. They are currently busy rehearsing their end-of-year production—Cinderella Rockerfella!—which promises to be a fantastic celebration of their time with us.

As the temperatures begin to ease, I hope you all have a lovely weekend enjoying the cooler weather and taking some time to relax.

With warmest wishes, Mrs Wilkins.

Bedding Plants

We would be very grateful for any donations of spare or unwanted bedding plants you may have at home.

The children will be planting these over the coming weeks in our garden area.

Many Thanks

Message to Parents and Carers

We kindly ask that you are mindful of your choice of clothing when bringing your children to and collecting them from school.

Recently, we have noticed instances of clothing displaying inappropriate language. We appreciate your cooperation in helping to maintain a respectful and suitable environment for all members of our school community.

Thank you for your understanding.

Relationships and Sex Education (RSE)

The government has introduced new relationships and sex education (RSE) and health education guidance, that we are required to follow from 1 September 2026. The statutory requirements are available to view [here](#).

We are now consulting with parents/carers and staff to make sure our new curriculum meets the government's requirements, as well as the needs of all our learners. Any feedback can be sent to our PSHE lead Mrs Waplington and RSHE lead Miss Robinson through the office email.
