WORLD BOOK DAY

7 MARCH 2024

At Three Trees this year, to celebrate World Book Day, we would like all the children to dress up as a book character and bring that book into school with them! This can be anything from Matilda to a T-Rex from 'Dinosaurs Love Underpants' or Harry Potter to Valkyrie Cain from 'Skulduggery Pleasant'. Be as imaginative and creative as you like, but it must relate to a book familiar to your child.

We cannot wait to see the characters walking around school bringing the books to life!

Year 4 Earthquakes and Volcanoes

Last week, our lovely Year 4 children all completed an NHM accredited Diploma in Earthquakes and Volcanoes. Each class joined in with an hour-long virtual workshop which was run by the Natural History Museum. During this workshop, we all became scientists and helped safely evacuate a town before a catastrophic volcano eruption! As teachers, we were extremely impressed with how much information the children were able to retrieve from our Earthquakes and Volcanoes unit of work in Geography last half term. We are sure that all of this retrieved information helped them to be the amazing scientists that they were!

Lunchtimes at Three Trees

Infants have been making bracelets at lunchtimes this week.

The children have also really enjoyed the lunchtime supervisors reading 'Supertato' and 'The Day The Crayons Quit'

At Three Threes, we are committed to being an inclusive school where everyone is valued and celebrated. Every child has the right to grow up healthy, educated and safe – regardless of race, gender or socioeconomic status.

Save the Children.

It is important to teach children about racism for many reasons, including ensuring that they know to seek support if they experience or witness racism.

Save the Children recognise that starting conversations about racism can be difficult so have produced some helpful tips to help parent/carers start a conversation or as a continuation, aimed at helping children to better understand what is happening around them.

Please find these 12 tips attached with this newsletter.
