

On Friday, 3LB had a fantastic time attending the Year 3 Sports Festival at Barlestone, joining pupils from across the schools for a morning of fun, teamwork and friendly competition. Meanwhile, 3VR and 3ZA remained at Three Trees Academies to host our very own Year 3 PE Charter, taking part in a range of sporting activities designed to promote teamwork, cooperation and a love of being active. It was a brilliant opportunity for all our Year 3 children to develop their sporting skills, build friendships and enjoy a memorable day of physical activity.
