

April 2024

Dear parents and carers,

In just under two weeks our pupils will be coming together to perform our Rise Voices Storybook Symphony! We can't wait to share this wonderful evening with you!

Pupils will need to be in full school uniform with sensible shoes. At the event they will wear a "Rise T-shirt" to make pupils feel more comfortable we suggest trousers, leggings, skirts or shorts to enable the T-shirt to be tucked in. Your child will also need a packed tea and plenty to drink, please ensure there are no nuts and if possible disposable bags / containers would be preferred. This saves lunch boxes or favourite water bottles going missing at the venue.

Children will be transported to and from the event by coach, with their school staff. Your school will be leaving the venue at 1pm and aim to be back at school around 9:15pm for your prompt collection.

Tickets are still available through the Mattioli Arena booking system by either scanning the QR code at the bottom of this letter or by entering the web address into your browser <http://tinyurl.com/RiseVoicesTickets>. Unfortunately, we are unable to offer concessions sales will close the day before the event.

Don't forget the doors will be open at 5pm, and we kindly request that you are seated by 6.15pm at the latest. If you require disabled parking or ground floor seating, please inform the venue in advance. Ample parking is available nearby, and additional details can be found in the FAQs of the Mattioli Arena website. Please bring your tickets with you on the night, QR codes will be scanned on entry. A variety of hot food, snacks and beverages will be available to purchase, along with our Rise Voices Storybook Symphony programme, an excellent keepsake priced at only £3 per copy. Payment can be made using card or cash.

We look forward to seeing you at our Rise Voices event.

Best regards,

A handwritten signature in grey ink that reads "M. Cole".
