This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Short bursts of physical activity used during lesson time to improve concentration and focus of pupils.	More physical learning environments leading to improved concentration reported by class teachers.	Regular movement breaks part of daily practice across the school.
Provided an active environment, including happy lunchtimes with lunchtime equipment available. Play leader in post at lunchtime and support staff engaging pupils in physical activity at lunchtime.	Increase in % of pupils meeting 30 minutes of physical activity a day in school. Increased confidence of lunchtime staff in the delivery of physical activity.	Systems now established, need embedding in next academic year.  Lunchtime is reported by pupils as a more pleasant time. Pupil Parliament to pick up pupil voice and further development of lunchtime activities/ resources.
Increased physical opportunities across the school year e.g. Walk to school weeks, Beat the Street campaign and Sports Weeks.	More children coming to school in an active way.	
Provided additional links to Community Sports Clubs.	Increased pupil awareness of opportunities available in the wider community.	Physical activity and school sport have a high profile and are celebrated across the life of the school.
Engaged in intra and inter sport competitions.	Increased number of children have been to a SDASP event including SEND and vulnerable groups of children.	
Cycling proficiency in Year 6.	Children safely riding bikes in local community/ busy streets.	A very positive experience and encouraged children to be safe on the road. Extend to Year 5 next academic year.

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
An active school environment, supporting children to be active every lunchtime.	Physical activities embedded in every day school life. Increased staff confidence in leading activities. Pupil voice growing in relation to physical activity. Pupils motivated and engaged.	A happy, positive playground environment. Pupil's beginning to lead on types of activities on offer and sourcing of equipment. Pupil play leaders to be developed in next academic year.
Better coaching and preparing pupils for upcoming events.	Children prepared for competitions.	Preparing children has increased confidence and allowed us to target less competitions but in a more effective way.
Staff CPD from Mr Donkin.	Increased confidence of teaching and support staff observed in lesson delivery.	
Get Set for P.E programme.	Engaged pupils in P.E lessons. More pupils meeting expected standard. Staff more confident in delivering curriculum. Higher quality P.E lessons.	Second year of curriculum implementation.
Range of sporting and competitive opportunities to inspire children to take part in a physical activity.	Increased number of children engaged in a sport. Those who lack confidence able to compete in a safe, nurturing environment. Children engage in more competitive sport within school and against other schools developing sportsmanship skills.	
Cycling proficiency extended to Year 5.	More pupils riding to and from school in a safe manner.	Increased road safety awareness.

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	44%
